SEEDSMEN

Detroit, Michigan

SPECIAL NOTICE

WE HANDLE absolutely nothing that we do not believe to be the best obtainable. Our unequaled advantages for the production of the best seeds enable us to offer them to our customers at the lowest prices for which well grown and selected seeds true to name can be furnished. We do not claim to compete in prices with irresponsible and haphazard growers and dealers whose sole effort is to secure the lowest priced seeds, regardless of quality; such seeds are not cheap but are dear at any price.

Cheap goods in our line should be resolutely shunned. The first cost of seeds is insignificant compared with the time and labor that must be expended upon a growing crop. Our seeds have behind them a history of constant success during the past sixty-nine years and we continue to affirm —The best is always the cheapest; reliable seeds cannot be afforded at half price.

We give no warranty, express or implied, as to description, purity, productiveness or any other matter of any seeds we send out, and we will not be in any way responsible for the crop. If the purchaser does not accept the goods on these terms they are at once to be returned.

TERMS

Our Terms are Strictly Cash with the Order

THE PRICES in this list are all Net and the goods will be delivered at freight depots or express offices in Detroit, but we **do not pay the charges of transportation. If seeds are ordered sent by mail, postage must be added to these prices at the rate of 8 cents per pound.**

In common with some other seedsmen we have, for the convenience of our customers as well as ourselves, discontinued the use of the terms bushel, peck, quart and pint and now quote all seed listed in our catalogue by weight.

Half pound and over at pound rate. Ten pounds and over at the 100 pound rate. We do not put up half pounds of Beans, Corn or Peas.

To every order for 10 pounds and upwards to the amount of 100 pounds, 50 cents must be added for a new bag, box or barrel in which to ship. If this is not done the quantity ordered will be reduced to cover cost of container.

Please be particular **always** to give your **name and address** when writing us. If you are not located on a railroad, always give your Shipping Point on every order.

Remittances should be made by Postal Money Order, Draft on New York or Chicago, Express Co's Money Order, or by Registered Letter. The charges on currency sent us by express should be prepaid and **if local checks are used, they must be certified.**

The prices in this list are intended only for Market Gardeners—those who make a business of gardening for profit. Orders from private individuals at the prices quoted herein will be refused or referred to dealers who handle our seeds. Our seeds are sold by dealers generally and can be procured for you by any reputable merchant.

D. M. FERRY & CO.
DETROIT, MICH.

For full description of all varieties in this List see our 1925 Seed Annual.

NOTE—The varieties in each class (for example, Wax Podded Beans) are usually arranged in their order of earliness.
